- *Doug Zettlemoyer, Talked briefly regarding the Guidelines for LEPC Plan Writing. This is just a draft form and will not be completed until the end of August*
- **Presentation:**
 - ✓ *John Ieyoub, Has arranged for the Lake Charles Harbor and Terminal District to give us a presentation on the increased rail traffic coming into the Port.*

- ✓ *Derek Midkiff and Bill Rose with the Port of Lake Charles made a presentation regarding the increasing traffic of the railroads coming up in the future.*
- ✓ *They have been working with the City of Lake Charles on this matter.*
- ✓ *Most of the rail cars that will be traveling to the port will be grain, and sand.*
- ✓ *The most a train will be carrying will be 100 but they are trying to shorten the length of the travel*
- ✓ *When traveling from the railway by the Calcasieu Parish Jail to the Port of Lake Charles they will be traveling at 8 mph, they can do 10 mph but will not be going that fast*
- ✓ *At one time there maybe two crossing blocked at one time during the travel but no more than two will be blocked*
- ✓ *They are working with 911 for how to work around emergency calls so personnel can make their times*
- ✓ *They will try and not run between the peak rush hours of traffic*
- ✓ *Also are working to get GPS in the engines of the train to track where the location they will be*
- *Mason Lindsay, these two videos were shown for the committee*
