 - *Must be reported immediately if it meets one or more of the following;*
 - *Causes any injury requiring hospitalization or any fatality*
 - *2. Results in fire or explosion which could reasonably be expected to affect the public safety beyond the boundaries of the facility*
 - *3. Exceeds the reportable quantity during a 24 hour period when that reportable quantity could reasonably be expected to escape beyond the site of the facility.*
 - *Some report to the LEPC and think that is 911, when they need to call 911 first*
 - *Depends on the type of release rather they have to report to NRC*
 - *Their first call should be to 911, but most facilities call the hotline or NRC first*
