I. Called to order: Mason Lindsay

- **Pledge:** Ron Tower
- **Make Motion to accept the minutes:** Richard McGuire
- **2nd Motion to accept the minutes:** Ron Tower
- **Old Business:**
 - By Law Rewrite:
 - We are in the process of meeting and looking over the By Laws to update and

make changes.

- We discussed that our committees would need to get someone to head the following committees, Hazardous Materials Facilities Liaison, Emergency Response and Resource Committee, Hazmat committee, CERT Team, Membership.
- If anyone would like to head one of them, please contact Mason Lindsay or Megan Powell.

II. New Business:

- Mason sent Biolab a letter for them to come and do a review of the recent incident in a couple of weeks. They responded and will be coming for the June meeting.
- The chemical board has released the report for the Hurricane fire during Laura. It is very interesting to read about.
- Showed everyone a news clip of a recent Shell pipe in Deer Park that had an explosion.
- Would like someone to make a motion for us to look at different Grants that are out there to help with the cost of the Buxus app.
- Motion made by Ron Tower; Motion is to proceed in the finding of a grant that would help with the cost of the Buxus app.
- Second by Richard McGuire
 - WLFD is submitting a application to the Port security to purchase a boat.

III. Treasury Report: \$153,290.05

IV. New Projects: (Gerald Pullin)

- World LNG Conference at George R Brown convention center Houston, May 31 - June 1. 12 LNG companies attending.
- Projects now being considered for SW Louisiana and SW Texas in next 30 months total \$171 Billion and now Anticipate needing over 50,000 construction workers.
- **LNG:**
 - Port Arthur LNG \$10.5 Billion 100 permanent, 8,000 constructions. Bechtel held an open house to meet with potential contractors. CAB Construction has received PO for dump trucks to handle dredge spoil.
 - Golden Pass LNG \$10 Billion 3,500 permanent, 8,000 Construction.
 - Driftwood LNG Carlyss \$16 Billion 400 permanent nine thousand construction. Bechtel and Bo Mac are on site now. Tellurian has received FERC permit to construct feed pipeline to site. Tellurian sold the project side to New York investment group for \$1 Billion cash and leased it back for 40 years. Tellurian purchased G2 Net Zero LNG and obtained several off-take contracts for LNG. With the new off take contracts, FERC approval for feed pipeline completion, \$1 Billion cash from land sale and site work completed by Bechtel, Tellurian anticipates Driftwood FID Q3 or Q4 2023.
 - Lake Charles LNG \$10 billion eight thousand Construction. Energy Transfer has off taken contracts for 50% of production capacity. Energy Transfer requested a second construction permit extension. FERC denied the request. Existing permit extension requires product send out by December 2026. Energy Transfer is an appealing denial. Bechtel has sent RFQs and mobilized office trailers on-site. Someday work may start as early as June 2023.
